**Large
Order?**

We offer competitive
discounts on orders
over 5000 plants.

We work closely with Johansens Plant Nursery in Børkop to bring the UK market the best available nursery stock. As their main UK distributor, we are proud to supply our growing customer base with the best available provenances and high quality transplants available. Please note all prices are based on orders over 1000 plants, if you require less than 1000 plants please get in touch for a quote.

Lower House Farm, Canon Frome, Ledbury, HR8 2TG
